High Torque Starter Motors

RAC407

Ford V4 and V6, commonly known as the Essex engine. Direct Replacement for original starter.

Ford Essex V4, Ford Essex V6 In Capri, Cortina, Corsair etc Strong, powerful, offset gear-reduced starter motor, delivering huge cranking torque through a set of steel internal gears. Lightweight, compact and durable this unit starts the engine faster with immense power, whilst drawing less current from the battery.

RAC407
